Practice for Plant Visit

Visitors should follow the instruction below during the Plant Visit for the safety:

1. Avoid wearing untidy clothes which might get stuck in the machine and lead to accident.
2. Wear trousers. (Both men and women)
3. Wear heel-high shoes or ankle-high shoes. (Do not wear high-heeled shoes or sandals.)
4. Comply with the instructor's advice during the Plant Visit for the safety.
5. Do not play around during the Plant Visit to avoid accident.
6. Do not take picture or record video throughout the Plant Visit.
7. Do not take other activity without informing the staff or without the staff's permission.
